

# Supplying to Arrow Energy

August 2019

Arrow is committed to providing full, fair and reasonable opportunity to local companies. Through our Local Content team, we support the development of local capabilities and maximise long-term industry participation.

## What we do

Arrow Energy is an integrated energy company.

We explore and develop gas fields, produce and sell coal seam gas (CSG) and generate electricity.

Arrow has been safely and sustainably developing CSG since 2000 and supplying it commercially since 2004.

The company is working to meet demand for cleaner burning fuels through gas supply.

Arrow is owned by Shell and PetroChina (50/50).

## What we expect from our suppliers

**Commitment to safety and environment** – a proven track record of operating safely and adhering to environmental regulations and requirements.

**Capability** – demonstrated ability to meet the scope of works and deliver a high quality outcome, on time and on budget.

**Competitive pricing** – demonstrated global competitiveness and a robust cost management process.

**Compliance** – always act within the law.

**Customer focus** – deliver the best possible outcome for us and meet our deadlines, commitments, policies and terms.

**Local content** – evident and supported throughout your supply chain.

**Innovation** – continually improving your business and providing fresh ideas.

## Interested?

Arrow uses the ICN Gateway and encourages interested suppliers, subcontractors and providers to register at <https://gateway.icn.org.au>. We also promote specific opportunities on our dedicated project page.
