

# ARROW ENERGY COAL SEAM GAS EXPLORATION COMMUNITY INFORMATION SESSION

Arrow Energy is identifying and assessing the potential of coal seam gas resources in the Nagoorin Graben Basin which covers an area of 130km<sup>2</sup> located approximately 60km south west of Gladstone. This work is at a very early stage and is intended to identify the extent of coal seam gas within the coals in this area. If you would like to find out more about future exploration programs and talk to the project team, please join us at the following community information session.

**Date:** Tuesday 19 October  
**Time:** 6.30pm – 9.30pm  
**Venue:** Ubobo Memorial Hall

A BBQ supper will commence at 6.30pm and this is an opportunity to talk one-on-one with the project team. A formal presentation will commence at 7pm.

To assist with the catering please RSVP by calling 1800 038 856 or email [info@arrowenergy.com.au](mailto:info@arrowenergy.com.au)
