

Arrow's Graduate Program

August 2021

Natural gas needs natural talent

Arrow has a vision to be the most competitive and respected developer of unconventional gas value chains in Australia. We recruit talented and motivated people who are passionate about joining our journey.

About the Graduate Program

Arrow's graduate program will include tailored Individual Development Plans combining formal structured training, life skills and on-the-job practical experience.

Safety is our highest priority, and our values – respect, lead, own, solve and integrate – underpin everything we do.

We believe a diverse and inclusive workplace, where people can bring their whole selves to work, is key to creating a culture where people thrive which is critical to our collective success. Providing employment opportunities for Aboriginal and Torres Strait Islander peoples helps us deliver on our purpose and goals, particularly our [Innovate Reconciliation Action Plan](#). At Arrow, everyone belongs.

We offer competitive remuneration and employee benefits, and the opportunity to sharpen your talents by learning from expert professionals and quality training programs.

We are looking for people who aspire to become:

- Well Engineers
- Project Engineers
- Operations Engineers
- Petroleum Engineers
- Geologists
- Ecologists
- Data Specialists
- Community & Communication Officers, and
- Energy Traders.

Areas of study that feed into these career paths include Engineering, Geology, Ecology, Communications, Business, Commerce, Economics, Data Science, ICT.

Why Arrow?

Working with Arrow provides the opportunity to be engaged in meaningful work that contributes to the future of our company, our industry and our communities.

How to apply

Apply through the link below.
