Brisbane Broncos heading westward for regional fans

The Brisbane Broncos will travel to Dalby next month for the team's biggest regional fan day, hosted by official energy partner Arrow Energy.

The 2016 Arrow Energy-Brisbane Broncos Fan Day, on Saturday 3 December, is an opportunity for supporters to spend the morning with the National Rugby League (NRL) team and will include a children's clinic, family entertainment, merchandise giveaways and signings.

Arrow Energy Vice President External Relations and Tenure Management Leisa Elder said this was the fourth time Arrow had made the free regional event possible through its ongoing partnership with the Broncos.

"As part of our Broncos partnership it's great we can bring the team to Dalby to meet some of their biggest fans," Ms Elder said.

"This annual event has grown to become a highly-anticipated day on the local calendar and we look forward to this year's event being even bigger and better."

The Broncos squad will be led westwards by Dalby local Andrew McCullough.

"League is a huge part of the local community, so it is nice to be able to come back to my hometown," he said.

"The fan day has grown year-on-year and the boys are excited to head back out to Dalby in December and spend some time with our supporters."

New Broncos recruit and New Zealand international player Benj Marshall will join the team for his first regional fan day with the club.

"I know how passionate Broncos fans are so I'm excited to get involved in the day."

Joining the players are Broncos ambassadors Jharal Yow Yeh, Justin Hodges and Lote Tuqiri.

As part of the fun, the Broncos will hold a football skills clinic with local junior players.

There will also be a BBQ lunch, live music, NRL merchandise and giveaways, face painting, laser skirmish and entertainment by the Broncos Cheer Squad.

Fans will also have the chance to win some great prizes including Brisbane Broncos membership packs and signed jerseys.

The Arrow Energy Broncos Fan Day will be held **9.00am - 11.00am, Saturday 3 December, at Dalby Leagues Club.**
