

Brighter Futures guidelines for funding

Arrow Energy is committed to helping build a brighter future for the communities in which we operate.

Arrow's Brighter Futures program offers the opportunity for eligible groups to apply for financial support for activities that make a positive contribution to communities within Arrow's Surat Gas Project area.

The program targets initiatives that focus on:

Community Wellbeing

- Events and activities that support community connection and promoting a vibrant social environment.
- Increasing access to educational and learning.

Healthy Lifestyles

- Supporting healthier and safer communities, including welfare and wellbeing services.
- Boosting participation in community sporting and recreational activities with positive community benefits.

Caring for our environment

- Protecting our natural environment to help create a more sustainable future.

Arrow also strongly encourages initiatives delivered by First Nations Traditional Owner Groups, particularly those within Arrow's project area.

About Brighter Futures

There are two types of funding categories available for application under Brighter Futures – grants and sponsorships.

Community grants

- Our grants program provides community organisations, educational facilities, not-for-profit organisations, clubs, associations, and charities with the opportunity to apply for grants of up to \$5,000 (excl GST).
- **Applications open on 9 February 2026 and close on 27 February 2026.**

Sponsorships

- Our sponsorship program supports community events and initiatives.
- Funding applications can be made at any time throughout 2026, with successful sponsorships provided at Arrow's discretion.

Arrow will consider supporting:

- Events and initiatives delivered.
- Future activities within Arrow's Surat Gas Project area.
- Applications which demonstrate community benefit.
- Applications that support one or more of the priority areas.
- Initiatives that:
 - Build skills and capacity in communities
 - Bring communities together
 - Deliver ongoing benefits
 - Support First Nations Traditional Owner groups.

Tips for Success

-  **Plan early** – Submit your application well before the deadline.
-  **Be clear and specific** – Clearly describe your project, event, or request, including what support you are seeking and why.
-  **Show community benefit** – Emphasise how your project will benefit the wider community.
-  **Provide supporting information** – Attach quotes, budgets, or other evidence to strengthen your application.
-  **Seek advice** – Contact our Community Team before lodging your application for advice.

Shell is a shareholder of Arrow Energy. Shell is a UK domiciled company. Shell's securities are traded in both the US and UK. Shell must comply with the US Foreign Corrupt Practices Act 1977 and the UK Bribery Act 2010, which have international effect, as well as applicable anti-bribery and corruption (ABC) legislation in the countries where Shell operates. We collect information regarding Committee / Board members of your organisation. Providing this information, including the involvement of any government official, will assist us to assess your application in a timely manner. Having a government official involved in your organisation does not preclude you from funding, however, we will need to undertake some extra steps to seek approval, in line with our Code of Conduct and any other applicable internal policies and procedures.
