X August 2024

Dear Landholder,

Subject: Environmental Authority amendment application update

I am contacting you with an update about Arrow Energy's proposed future development in an area northeast of Miles.

As you are aware, Arrow has an existing Environmental Authority (EA) for an area we refer to as SGP North (map enclosed), which is part of the broader Surat Gas Project.

Arrow recently submitted an amendment to the EA seeking approval for supporting infrastructure such as road and intersection upgrades, access tracks, and offices.

Please be advised that this application will be open for public consultation from 2 August 2024 to 30 August 2024.

The application will available for viewing during this period at:

- Arrow Energy website: www.arrowenergy.com.au/media/public-notices
- Department of Environment, Science, and Innovation (DESI) website: www.desi.qld.gov.au

Interested parties can make a submission directly to DESI at EnergyandExtractive@des.qld.gov.au by 4:30pm on 30 August 2024.

The consultation process does not signal the commencement of activities on SGP North, and we will continue to keep you updated about our progress.

Should you have any questions now or in the future, please contact me on XXXX.

Yours sincerely,
